

### June System Enhancements for Committee Members

The June 1, 2012 HR Newsletter describes June enhancements to webIRB for researchers. The following are webIRB enhancements specific to IRB committee members' webIRB homepage and will become available Monday, June 11, 2012.

Enhancements to committee members' webIRB homepage were made to the *My Inbox* and *My Completed Reviews* tabs and include:

1. Reorganization of columns to improve speed of data display (e.g., *PI* and *Owner* columns appear after *Last State Change*)
2. Renaming the heading *Project State* to *State*
3. Allowing filtering and sorting by *State*
